

oh, i apologize for making you end up here, nothing is important but the OFL license :)

i just want to say thank you for using the "jess's dead" font :)
i'm pretty dead on Behance but you can add me on Torn :))

*my signature is placed here
with the sole purpose of
gracefully evading the sense of emptiness*

A stylized signature in a cursive font, written in a light blue color. The signature is highly decorative and difficult to decipher, appearing to be a mix of letters and flourishes.
