## AEKTRACT 36 - Free Font License

---

### Definitions

**\*Font:** Font is this digital product or software which is a set of typographic characters or glyphs used for graphic and print purposes.

**\*Vendor:** Mohammed Afzal

**\*Licensee:** The person or organization purchasing or downloading the font

**\*Free:** Free solely refers to the cost of the font and doesn't mean open-source.

---

### Rights & ownership

**\*Assertion of rights:** The vendor asserts the rights for free use to the licensee and the rights are legally protected worldwide by international and regional intellectual property laws.

**\*License is not ownership:** This license clearly and solely asserts the rights for free use and not in any way ownership. The ownership rights are reserved by the vendor only.

---

### Where you are allowed to use

**\*Print:** Allowed

**\*Websites:** Allowed

**\*Apps:** Allowed

**\*Digital images & documents:** Allowed

**\*E-books:** Allowed

**\*NFTs & digital art:** Allowed

---

## What you are not allowed to do

**\*Reselling the font:** You are not allowed to resell the font as the font is free for everyone, but you are allowed to share the font for free with anyone as long as you are sharing the complete font's zip file which also includes this license.

---

## Modifications

**\*Modifying or customizing the font:** You are allowed to modify or customize the font as per your requirements but make sure to preserve the font's name & license while sharing it with anyone.

---

## Disclaimer

**\*Warranty:** Vendor provides no warranties for the font & accepts no liability for any harm or damage that may be caused using the font.

---

## Termination

**\*Terminating the license:** Vendor reserves the right to terminate the license if any terms are violated.
